

## PE and Sports Grant Strategy Statement: Delce Academy 2018-19

At Delce Academy, we recognise the contribution that PE and sport can have on a child's physical and emotional health, development and well-being. We believe that by providing a varied PE curriculum and extra-curricular opportunities in a safe and supportive environment can have a positive influence on a child's education.

In line with the DfE's vision for 'Primary PE and Sport premium' (2016) of:

*'All pupils leaving primary school physically literate and with the knowledge skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.'*

We have implemented provisions to provide a high level of participation in PE and sport for all year groups and with the grant funding we have been allocated, we have been able to further improve participation and provide more opportunities for children to take part in a variety of sporting activities.

In the academic year 2016/17, we received £10,395.00

In the academic year 2017/18 we received £21,040 (including an additional sum from Sugar Tax)

In the academic year 2018/19 we have been allocated £21,460.00.

We plan to spend the funding in a variety of ways which support the 5 key indicators for PE and sport grant funding;

- The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles;
- Raising the profile of PE and sport across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of staff teaching PE and sport;
- Broader experience of a range of sports activities offered to all pupils;
- Increased participation in competitive sport.

1. Summary information					
School	Delce Academy				
Academic Year	2018-19	Total PE and Sport grant	£21,460	Date of most recent PE and sport grant review	August 2018

<b>2. Plan</b>				
<b>Long Term Outcomes</b>	<b>Objective</b> <i>What do we want to achieve?</i>	<b>Actions</b> What are we going to do?	<b>Staff Lead</b>	<b>Cost</b>
<b>1. To engage all pupils in regular physical activity-kick-starting healthy active lifestyles.</b>	1.1 Raise the % of children able to swim competently by the end of Year 6.	1.1a Employ specialist coaches to work alongside school PE team to provide swimming coaching. 1.1b Provide all pupils with the opportunity for a block of swimming lessons across the year.
