Dear Parents and Carers,

We wish to extend a warm welcome to all of our families; it was fantastic to see both new and familiar faces yesterday on the playground. The children were brimming with excitement with new experiences the coming academic year will hold.

As we embarked on the new school year, we took time in assembly to ask the children what they are most proud of about our school. The children told us:

It was heartening to see that many of the strengths highlighted by the children were matched with the views our staff shared on our staff development day last Friday.

We greatly respect the voice of our children. Later this week, each class will be electing their School Council Representative. The council will meet regularly to share ideas and opinions with the teaching team. We look forward to including the children's views in our continuing development of the school.

Open classrooms- Friday 7th September 2:30-3:00pm

We are inviting all parents and carers to visit their child's classroom this Friday. It will be a great opportunity to meet other families and your child's new teacher. We look forward to seeing you all and hearing your views on how we can further improve our school.

Kind regards,

Mr C Frost & Mrs C Webb
