

PE and Sports Grant Strategy Statement: Delce Academy 2017-18

At Delce Academy, we recognise the contribution that PE and sport can have on a child's physical and emotional health, development and well-being. We believe that by providing a varied PE curriculum and extra-curricular opportunities in a safe and supportive environment can have a positive influence on a child's education.

In line with the DfE's vision for 'Primary PE and Sport premium' (2016) of:

'All pupils leaving primary school physically literate and with the knowledge skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.'

We have implemented provisions to provide a high level of participation in PE and sport for all year groups and with the grant funding we have been allocated, we have been able to further improve participation and provide more opportunities for children to take part in a variety of sporting activities.

In the academic year 2016/17, we received £10,395.00

In the academic year 2017/18 we received £21,040 to spend on enhancing and developing our PE and sports offer. We have spent the funding in a variety of ways which support the 5 key indicators for PE and sport grant funding;

- The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles;
- Raising the profile of PE and sport across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of staff teaching PE and sport;
- Broader experience of a range of sports activities offered to all pupils;
- Increased participation in competitive sport.

3. Evaluation			
Long Term Outcomes	Objective <i>What do we want to achieve?</i>	Actions What are we going to do?	Evaluation and Review
.1. To engage all pupils in participation of a healthy active lifestyle.	1.2 Engage families with active lifestyles	1.1.a Family healthy challenges including walk to school initiative. 1.1.b HSSW working alongside the Healthy Living Team in engaging with families.	A wider variety of clubs were offered this year including clubs during lunch times. Participation rates continue to improve, however the blockers to increased participation include being unable to attend after school provision. 79% of pupils participated in a sports club over the year. All year 5 pupils had the opportunity for a block of swimming lessons. 88 pupils attended the sessions with 37% achieving 25m. 30 pupils declined the offer. Also additional swimming was offered to Year 6 pupils who had not reached the 25m distance during Year 5.
	1.2 Provide a wide range of activities for all children .	1.2.a Daily lunch activities led by sports team. 1.2.b Termly clubs 1.2.c Dance club at lunchtimes (external provider)

2. To raise profile of PE and sport across school.	2.1 Development of sports across the whole school day	2.1.a Development of the school site for sports at break and lunch 2.1b Playground resources and equipment to enhance break and lunchtime provisions.	This year the provision for clubs over lunch time were explored and had a positive impact on those pupils involved. Next steps would be to look at the timetable for PE staff to ensure that the school can maximize on the use of staff over the lunch period PE twitter feed used to keep parents informed. Profile of PE raised in celebration assemblies to share sporting achievements..
	2.2 Enhance the image of PE in the minds of the whole school community.	2.2.1a Provide regular feedback to parents in newsletters and pupils in assemblies about the PE and sporting achievements.
