4th November 2020

Dear Parents/Carers,

Face Masks

In view of the increase in positive tests for Covid 19 nationally and locally, we recommend that parents **wear face masks during the drop off and collection of children**. This will keep everyone safe, and keep us in line with government guidance.

A number of surrounding schools are asking parents and carers to wear face masks during drop off and collection times, and it is something that parents and carers at Delce Academy now need to do to keep those we care about in our school community safe.

Although the office is closed to parents, if you have been asked to come into the office area, please ensure you are wearing a mask.

It is so easy for an individual to innocently infect a number of people and this is something that I want to avoid.

We are also giving the option to staff to wear them when they welcome and dismiss children on the playgrounds. All face coverings will be taken off once parents have left the area.

So please, from tomorrow Thursday 5th November, could I ask all parents and carers to wear a face mask when dropping off and collecting your child to keep everyone.

Yours sincerely,

Mrs Kate Taylor
Head Teacher
