Co-Headteachers: Mr C Frost and Mrs C Webb

Dear Parent/Carer,

Welcome to a brand new school year! We are very much looking forward to all the wonderful learning that will be achieved by the children.

Over the next two weeks, your child will be 'Learning to Learn'. This is where we explore all the key skills a learner needs to be successful. We will help the children to learn the school routines and settle in to their new groups through a variety of team games and challenges. The children will explore who they are as learners and consider their personal targets for the year ahead. 'Learning to Learn' helps the children to quickly settle into their new classes.

Reading

In week 1, your child will select a book from their classes to take home so they can begin their home reading routine. We aim for everyone to complete home reading every night and their Reading Record to be signed.

Home Learning

From week 2 onwards, your child will be set further home learning:

- Weekly maths
- Weekly spellings and handwriting
- A termly topic project.

We would like to thank you in advance for all the support you give so that the children can be successful learners.

Kind regards,

The Year 3 and Year 4 team
